

The Love of God

Original words by Frederick M. Lehman (1917)
and Meir Ben Isaac Nehorai (1050)
Additional words and music by Patriot Sail

Intro/Interlude - Gm F

Verse 1 - Gm F

The love of God is greater far
Than tongue or pen can ever tell
It goes beyond the highest star
And reaches to the lowest hell
Our guilty race clothed in disgrace
God gave His Son to win
This erring child He reconciled
And pardoned me from my sin

Chorus 1 - Gm C F Am

The love of God is greater still
The love of God is greater still

Verse 2 - Gm F

Could we with ink the ocean fill
And were the skies of parchment made
Were every stalk on earth a quill
And every man a scribe by trade
To write the love of God above
Oh would drain the ocean dry
Nor could the scroll contain the whole
Though stretched from sky to sky

To write the love of God above
Oh would drain the ocean dry
Nor could the scroll contain the whole
Though stretched from sky to sky

Chorus 2 - Gm C F Am (2x) Bb C F Am Gm C F

The love of God is greater still
The love of God is greater still
The love of God is greater still
The love of God is greater still
